An act to amend Sections 2150, 2157, 2160, 2194, and 2202 of, and to add Sections 2157.1, 2157.2, 2188.1, 9607, 9608, 9609, and 9610 to, the Elections Code, and to amend Section 6254.4 of the Government Code, relating to voter information.

LEGISLATIVE COUNSEL'S DIGEST

SB 1016, as amended, Bowen. Voter information: privacy.

(1) Existing law sets forth the requirements for the information to be provided on the affidavit of registration, including that the affidavit of registration include the affiant's California driver's license number, California identification card number, or any other identification number specified by the Secretary of State.

This bill would require that in the case of an applicant who has been issued a current and valid driver's license, the applicant's driver's license number be provided on the affidavit of registration, or, in the

case of any other applicant, the last 4 digits of the applicant's social security number be provided on the affidavit of registration. The bill would require that, if an applicant for voter registration has not been issued a current and valid driver's license or a social security number, the state assign the applicant a number which will serve to identify the applicant for voter registration purposes. The bill would require the affidavit of registration to contain a specified statement about confidentiality of the personal information of certain voters, a statement that commercial use of voter registration information is a misdemeanor, and a toll-free hotline telephone number that the public may use to report suspected fraudulent activity concerning the misuse of voter registration information.

(2) Existing law requires any person who registers to vote to complete an affidavit of registration. The information contained in this affidavit of registration is generally confidential, except that it may be provided to any candidate for federal, state, or local office, to any committee for or against any initiative or referendum measure, or to any person for election, scholarly, journalistic, or governmental purposes. Use of this information for purposes other than those permitted by law is a misdemeanor.

This bill would inform voters about the permissible uses of the personal information supplied by them for the purpose of completing a voter registration affidavit, by requiring local elections officials to post on any local elections official Web site relating to voter information, and requiring the Secretary of State to print in the state ballot pamphlet and post on his or her Web site, information on possible uses of voter information, as specified. By requiring a local elections official to post the uses of voter information on any local elections official Web site, this bill imposes a state-mandated local program.

This bill would additionally make it a misdemeanor to knowingly use or permit the use of voter registration information for any personal, private, or commercial purpose. By creating a new crime, this bill would impose a state-mandated local program.

(3) Existing law sets forth the requirements and procedures for handling the voter registration card.

This bill would additionally require the voter registration card to contain a specified statement about confidentiality of the personal information of certain voters. The bill would additionally authorize the Secretary of State to exhaust the existing supply of voter registration

cards prior to printing new or revised forms that contain the confidentiality statement. The bill would require the voter registration card to be confidential and not used for any personal, private, or commercial purpose, as specified.

This bill would provide that the signature of the voter shown on the voter registration card is confidential and would prohibit the disclosure of the signature to any person, except as specified.

(4) Existing law sets forth the requirements for an application for voter registration information, including a statement of the intended use of the information requested.

This bill would require the Secretary of State to study the feasibility of inserting fictitious names of voters into the voter registration information database as a possible investigative and enforcement tool for determining inappropriate or unauthorized use of voter registration information.

(5) Existing law establishes the procedures for preserving the uncanceled affidavits of registration, including the use of electronic media.

This bill would require that uncanceled affidavits of registration be preserved in a secure manner that will protect the confidentiality of the voter information.

(6) Existing law imposes various requirements concerning the circulation of initiative petitions, and prohibits, subject to misdemeanor penalties, the use of signatures on an initiative petition for a purpose other than qualification of the proposed measure for the ballot.

This bill would require the proponents of an initiative measure to ensure that any person, company, or other organization that is paid, or who volunteers, to solicit signatures to qualify the proposed measure for the ballot receive instruction on the requirements and prohibitions imposed by state law with respect to circulation of the petition and signature gathering thereon, with an emphasis on the prohibition on the use of signatures on an initiative petition for a purpose other than qualification of the proposed measure for the ballot.

This bill would require each proponent of an initiative measure to execute and submit, along with the request for a title and summary for the proposed measure, a signed statement, as specified, acknowledging that it is a misdemeanor under state law to knowingly or willfully allow the signatures on an initiative petition to be used for any purpose other than qualification of the proposed measure for the

ballot, and certifying that he or she will not knowingly or willfully allow the signatures for the initiative to be used for any purpose other than qualification of the measure for the ballot.

This bill would require the person, company official, or other organizational officer who is in charge of signature gathering, prior to allowing any person to circulate an initiative petition for signatures, to execute and file a similar statement with the proponents. It would also require each circulator, prior to soliciting signatures on an initiative petition, to execute and submit to the person, company official, or other organizational officer who is in charge of signature gathering, a similar statement.

This bill, by requiring the proponents' certified statement required by this bill to be kept on file by the agency authorized to prepare the title and summary for the proposed initiative measure, would impose a state-mandated local program.

(7) This bill would incorporate additional changes to Section 2194 of the Elections Code, proposed by SB 506, to become operative only if SB 506 and this bill are both chaptered and become effective on or before January 1, 2006, and this bill is chaptered last.

(8) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 2150 of the Elections Code is amended
- 2 to read:
- 3 2150. (a) The affidavit of registration shall show:
- 4 (1) The facts necessary to establish the affiant as an elector.
- 5 (2) The affiant's name at length, including his or her given
- 6 name, and a middle name or initial, or if the initial of the given

1 name is customarily used, then the initial and middle name. The
2 affiant's given name may be preceded, at affiant's option, by the
3 designation of Miss, Ms., Mrs., or Mr. A person shall not be
4 denied the right to register because of his or her failure to mark a
5 prefix to the given name and shall be so advised on the voter
6 registration card. This subdivision shall not be construed as
7 requiring the printing of prefixes on an affidavit of registration.

8 (3) The affiant's place of residence, residence telephone
9 number, if furnished, and e-mail address, if furnished. No person
10 shall be denied the right to register because of his or her failure to
11 furnish a telephone number or e-mail address, and shall be so
12 advised on the voter registration card.

13 (4) The affiant's mailing address, if different from the place of
14 residence.

15 (5) The affiant's date of birth to establish that he or she will be
16 at least 18 years of age on or before the date of the next election.

17 (6) The state or country of the affiant's birth.

18 (7) (A) In the case of an applicant who has been issued a
19 current and valid driver's license, the applicant's driver's license
20 number.

21 (B) In the case of any other applicant, other than an applicant
22 to whom subparagraph (C) applies, the last four digits of the
23 applicant's social security number.

24 (C) If an applicant for voter registration has not been issued a
25 current and valid driver's license or a social security number, the
26 state shall assign the applicant a number which will serve to
27 identify the applicant for voter registration purposes. To the
28 extent that the state has a computerized list in effect under this
29 subdivision and the list assigns unique identifying numbers to
30 registrants, the number assigned under this subparagraph shall be
31 the unique identifying number assigned under the list.

32 (8) The affiant's political party affiliation.

33 (9) That the affiant is currently not imprisoned or on parole for
34 the conviction of a felony.

35 (10) A prior registration portion indicating whether the affiant
36 has been registered at another address, under another name, or as
37 intending to affiliate with another party. If the affiant has been so
38 registered, he or she shall give an additional statement giving that
39 address, name, or party.

1 (b) The affiant shall certify the content of the affidavit as to its
2 truth and correctness, under penalty of perjury, with the signature
3 of his or her name and the date of signing. If the affiant is unable
4 to write he or she shall sign with a mark or cross.

5 (c) The affidavit of registration shall also contain a space that
6 would enable the affiant to state his or her ethnicity or race, or
7 both. An affiant may not be denied the ability to register because
8 he or she declines to state his or her ethnicity or race.

9 (d) If any person, including a deputy registrar, assists the
10 affiant in completing the affidavit, that person shall sign and date
11 the affidavit below the signature of the affiant.

9 maintained by the Secretary of State that the public may use to

13 self-enclosed mailer with postage prepaid by the Secretary of
14 State.

17 on the effective date of this section and produced pursuant to
18 regulations of the Secretary of State, and all references to voter
19 registration cards and affidavits in this division shall be applied
